1 (Exhibit 12 was marked for identification.)

2 BY MS. CASADONTE-APOSTOLOU:

3 Q This will be Exhibit 12. It's at the -- it's  
4 at the bottom. Well, I should read the question --  
5 sorry. If you go up, it's Interrogatory 1. It's  
6 the Second Amended Responses to Interrogatory 1 by  
7 Bay Tek.

8 The Interrogatory is "Identify all channels  
9 or methods (e.g. internet, print) used by Bay Tek,  
10 or any licensee of Bay Tek other than Full Circle,  
11 to advertise goods or services using the Mark from  
12 2016 through present, and for each, identify the  
13 date(s) each channel was used, the product(s) or  
14 service(s) advertised on the channel, the method or  
15 channel used, and the substance of the advertising.  
16 For each identified advertising activity that is  
17 performed by an entity other than Bay Tek, identify  
18 the entity."

19 So that's just a question, and in  
20 connection -- in response there was a list provided  
21 by Bay Tek of its licensees. It's Exhibit A to --  
22 I'll give you a second to -- have you seen Exhibit A  
23 to Bay Tek's Second Amended Response to  
24 Interrogatory No. 1 before?

25 A Yes, I have.

1       Q    Okay. Did -- did you participate in  
2   preparing it?

3       A    Yes.

4       Q    Okay. Is the information on Exhibit A  
5   accurate?

6       A    To the best of my knowledge, yes.

7       Q    Are there any amendments or revisions needed  
8   to Exhibit A, considering that some time has passed  
9   since it was served by Bay Tek?

10      A    What is the date of this agreement?

11      Q    The service date? Just go up, Mr. Atfeh. Go  
12   down. Go down. October 15, 2021.

13      A    We have not entered into any new licensing  
14   agreements since --

15      Q    Okay. Then --

16      A    No, I'm sorry, there would have been one  
17   additional. To the best my knowledge, there would  
18   be one additional licensee to add.

19      Q    What information can you provide about the  
20   additional licensee?

21      A    Sure. The company is called Flybar, and we  
22   would have entered into that agreement late 2021.  
23   It's for the category of inflatable toy.

24      Q    Okay. Are you aware of the advertise --  
25   advertising channels used by Flybar in connection
